ISHA Learning

WHAT DO WE DO ?

Sewing machine is a precision engineering marvel.

Also, a social engineering tool that has enabled financial and social empowerment of millions of women across the globe.

ISHA Learning works with governments, NGO s, corporates and multilateral agencies to enable sustainable livelihoods of marginalized people in sectors that use sewing machine as the primary production tool.

Products and services of ISHA Learning are used by agencies and training partners of Ministry of Textiles, Ministry of Commerce and Industry, Ministry of Labour and Employment, Ministry of Skill Development and Entrepreneurship and Ministry of Micro, Small and Medium Enterprises, Govt. of India apart from NGO s and organizations in the private sector.
